All figures and statistics presented in this report were retrieved from the database of the Violations Documentation Center (VDC). They are not final and are subject to continuous and periodic scrutiny by the VDC's database administrators and the field documentation team. Figures differ between reports and the most recent report is considered to be the most accurate.

We are very grateful to the members of the Field Documentation Team who risk their lives every day in order to document human rights violations committed in Syria and without whom the publications of the VDC would not have been possible.
